Selena: http://idle.slashdot.org/story/10/06/21/163221/Noisebridge-Attempts-to-Teach-Science-To-Juggalos
me: saw that
Selena: bahahah
me: fucking magnets
me: HOW DO THEY WORK?
Selena: well now you know!!!
me: actually I don't
me: it's really pretty complicated
Selena: something to do w/ the way shit is polarized i don't remember
Selena: i learned this as a 4th grader
me: look it up, it can't even be summarized
Selena: so 4th graders are smarter t han ICP
me: SHIT BE ALL POLARIZED
Selena: NEGATIVE OR POSITIVE
Selena: and you can disturb that field
Selena: by rubbing a magnet
me: don't tell me what I can do with my magnets
Selena: to turn it to the opposite ?
Selena: isn't that how they work??
me: I can make them both positive
me: yes
Selena: AND THEY REPEL EACH OTHER
me: OH SHIT
Selena: yes, i'm smarter than ICP
me: that's stupendous
me: I'm in a dry county
me: in East Texas
Selena: god you must be bored
me: at least I'm getting some work done
me: I guess
Selena: well productive is good too
